

**Introducing:**

## **The Zoom Plumbing 10% Challenge:**

We will beat any comparable written quote by 10%!

For many years now, since 1992 to be exact, since I first opened my Plumbing Repair Shop in Atlanta we have offered to beat any comparable written Sewer or Drain repair quote by 10%. We have also given an unheard of lifetime guarantee on all underground drainage repairs. Many critics (competitors) told us that this was a dangerous business practice and that we would be out of business in a short period of time. What they don't realize is, 80% of our business is from repeat customers or customer referrals, which means we don't have to pay fifteen thousand dollars a month for Yellow Pages advertising or really blow my mind with radio advertising.

We have now decided to do the same with Plumbing Repair. Until further notice, we will beat any comparable written Plumbing or Drain quote by 10%, regardless of the size of the job, big or small. We will give a 2 year Warranty on all Plumbing repairs and a Lifetime Warranty on Underground Drainage Repairs. And both warranties are backed up by a written promise from the owner. This fact alone makes our price the lowest, but we won't just save you money we'll provide you with Quality Workmanship and a brand of service you really won't believe.

So, there you have it, plain and simple: the best price, the best service and only one name to remember: Zoom Plumbing.

If you don't call us first, call around, get your best deal, and then call us last. The only way you can lose is if you don't call us!

Remember: "If you don't call Zoom you'll pay too much"

Unfortunately, it is impossible to offer the best price and outstanding service to a geographical area as large as Atlanta and suburbs without a sacrifice. We are not willing to reduce our standards, raise our prices or lower our quality of service. Instead we have decided to limit service to an area approximately 10 miles from our shop located close to I285 @ Hwy 400. This will reduce our fuel & vehicle repair cost and more importantly give a faster response time to you. We offer One Hour Priority Drain Service. "Call Now & We'll See You in an Hour." (404) 551-1111
